## **4<sup>th</sup> National Horn Workshop**

**10 – 12 June 2011**

**NMMU Music Department, Port Elizabeth**

Dear Horn Enthusiast,

Following the very successful few Horn Workshops in Port Elizabeth, Cape Town and Grahamstown, the SAHS is hosting its fourth workshop 10 -12 June. We encourage you to keep these dates open and attend this workshop. It is YOU who will make this another great event!

This year we are lucky to have Steve Gross from UCLA, USA as our guest artist and clinician.

The provisional programme is listed below. As you can see, it's packed with various varied events, catering for players of all ages and competency. Please keep an eye on our website. It will have the updated programme, as well as announcements. Since we do not have a complete email list, please forward this invitation to as many hornists as you know!

The cost of the 3-day workshop is only R150 for students and school-going learners and R220 for adults. There will also be an option of R50 per day for those that can only attend one day. This includes all meals, teas, concerts and a CD of performances (not for the daily rate). Just bring your horn!

To register, simply email to sender with the following details:

- Name, email address, contact number (preferably cell), physical address.
- Indicate whether you wish to play for a masterclass, and which piece (and movement) you would perform. You might have to send us the accompaniment too. Potential participants in the Ensemble Session and the Open Session must preferably indicate asap.
- Any special dietary requirements.

Early payment will be appreciated! The banking details are: "SA Horn Society", ABSA Bank (Grove Avenue, Claremont), Branch Code: 421-109, Account Number: 40-61633-830. Use your surname as reference.

See you there,

Erik Albertyn & Boris Mohr,

(co-hosts on behalf of the South African Horn Society)
